

DATA SHEET

DGI SOLVENT INK - DGI™

PRODUCT OVERVIEW

There has been a dramatic increase in the popularity of machines manufactured in Asia with the Korean company DGI™ at the forefront. At the cutting edge of ink research ITL has developed a tried and tested ink-set designed to meet the demands and needs of the DGI™ user. The DGI™ inks are compatible with the full range of printers ensuring smooth and trouble-free operation of your hardware. The quality of the output is simply outstanding - bright and vibrant colours combined with excellent outdoor durability which will make your products stand-out.

COMPATIBLE PRINTERS - DGI™

DGI™	Vistajet™ II / III / IV
DGI™	Spacejet™

MAXIMUM RELIABILITY

Extensive testing is carried out on all ITL inks during both development and production phases ensuring that all ITL inks are up to the most demanding of print jobs.

- Full hardware and UV fade resistance warranties.
- Extended shelf-life of 12 months.
- Manufactured to strict ISO9001 quality standards.

MAXIMUM DURABILITY

The finest raw materials, modern production techniques and a commitment to quality enable ITL to produce and supply inks that will inspire confidence in you and your customers.

- Excellent resistance to alcohols and cleaning fluids.
- UV Light resistant up to 2 years outdoors unlaminated.**
- Wide colour gamut and density.

MAXIMUM COMPATIBILITY

Designed and engineered specifically for each printer model and finely tuned for superior machine performance and reliability.

- Compatible with the majority of standard printing substrates.
- Quick, simple and trouble-free ink change-over procedure.
- Classified as non-hazardous.
