

DATA SHEET

ITL JS5 - MIMAKI™

PRODUCT OVERVIEW

ITL JS5 True Solvent inks are reliable and colour matched alternatives to Mimaki™ JV5 original inks and significantly improve alcohol, scratch and abrasion resistance. JS5 inks are fully compatible with Mimaki's™ own solvent inks meaning they can be installed without flushing out the printer. A wide colour gamut and strong individual colour density produces images with a colour brilliance that has to be seen to be believed. ITL JS5 inks will work in any Mimaki™ JV5 full solvent printer model and we offer users either pre-filled cartridges or bulk-feed refillable cartridge solutions, both with full chip support. The JS5 inks offer significant long-term cost savings to the Mimaki™ user without compromising on print quality, machine reliability or performance, and they produce consistently striking colours without the need to re-calibrate your system.

COMPATIBLE PRINTERS - MIMAKI™

JV5-130S, JV5-160S, JV5-320S.

MAXIMUM RELIABILITY

Extensive testing during both development and production ensures that ITL JS5 inks can handle the most demanding of print jobs.

- Full hardware and UV fade resistance warranties.
- Extended 18 month shelf-life.
- Manufactured to ISO9001-2008 quality guidelines.
- Suitable for high-speed printing.

MAXIMUM DURABILITY

ITL inks inspire confidence because they are manufactured using the finest raw materials, modern production techniques and with a constant commitment to quality.

- Excellent resistance to alcohols and cleaning fluids.
- UV fade resistant up to 2 years, outdoors, unlaminated**.
- Superior abrasion and scratch resistance.
- Wide colour gamut and strong individual colour density.

MAXIMUM COMPATIBILITY

Designed specifically for each supported printer model and fine-tuned for superior machine performance and reliability.

- Compatible with most good quality substrates.
- Simple, quick and trouble-free ink changeover procedure.
- Classified as non-hazardous.
- Colour Matched.

PRODUCT RANGE

JS5C	JS5 Cyan Solvent ink	220/440ml Crt	500ml - 1 litre
JS5M	JS5 Magenta Solvent ink	220/440ml Crt	500ml - 1 litre
JS5Y	JS5 Yellow Solvent ink	220/440ml Crt	500ml - 1 litre
JS5K	JS5 Black Solvent ink	220/440ml Crt	500ml - 1 litre
JS5LC	JS5 Light Cyan Solvent ink	220/440ml Crt	500ml - 1 litre
JS5LM	JS5 Light Magenta Solvent ink	220/440ml Crt	500ml - 1 litre

TECHNICAL SPECIFICATION

OUTDOOR DURABILITY:	Up to 24 months **
SHELF LIFE:	18 months from date of manufacture when stored correctly (see MSDS).
STORAGE:	Store between 5°C and 40°C. Out of direct sunlight.
CLASSIFICATION:	Harmful.
FLAMMABILITY:	Product not classed as flammable.
HANDLING:	Avoid prolonged contact with skin. Wear gloves and goggles if splashing is likely.

Note: **Based on a Northern European location and can vary with media selection and positioning. Specifications are subject to change without notice. MSDS available upon request. All trademarks recognised. (c) 2001 - 2009 Ink Technologies (UK) Limited. E&OE.
